GALAXY ACCESS CONTROL

INTUITIVE, POWERFUL SOLUTION The AA14 is an outdoor intercom entry station supporting up to 10k entries. The 10" touch screen has an intuitive search feature allowing visitors to quickly find and communicate with intended parties. Visitor calls can be answered on a mobile app, phone, in-suite tablet or routed to a SIP phone system. As an entry station, access can be granted to visitors with our mobile app or by pressing a number on the phone key pad. For residents in the building, entry can be gained by using a card credential or PIN.
